

ANAM CARA GEELONG

The Highest Standards of Care

achg.org.au

Anam Cara Geelong is a world-class hospital, thoughtfully designed to feel like a home, offering specialised palliative care services tailored to individual and family needs.

We believe palliative care is about supporting individuals and their families from the moment they are diagnosed with a life-limiting illness.

It's about enhancing quality of life - focusing on living well, not just the final days.

Our Model of Care

Services to our community include:

Hospital Admissions 24/7 for clinical assessment symptom management, end of life care and social support for people with a life-limiting illness, regardless of their geographical location.

Living Well Day Program for clinical assessment, symptom monitoring and management, spiritual care, education as well as the opportunity to enjoy a range of activities such as yoga, art, music, pet therapy, social outings to galleries, beaches and much more.

Bulk Billed Consultations for symptom management (including but not limited to pain management, nausea and vomiting, breathlessness, fatigue, anxiety), Advance Care Planning, care coordination with other healthcare providers and spiritual care support.

Referrals

Referrals can be made by doctors, nurses, family members or by the person themselves through our website referral tab. We would also require a medical referral from either a GP Specialist or other medical specialist involved in your care if referring yourself/family or friend online. Alternatively, contact our Access and Resource Nurse at referrals@achg.org.au.
